Then the **Spirit** said unto **Philip**, Go near, and join thyself to this Chariot. And **Philip** ran thither to him.  
*Acts 8: 29-30*

"And as they went on their way, they came unto a certain water: and the **eunuch** said, See, here is water; what doth hinder me to be **baptized**? And **Philip** said, If thou believest with all thine heart, thou mayest. And he answered and said, **I believe that Jesus Christ is the Son of God** And he commanded the chariot to stand still: and they went down both into the water, both **Philip** and the **eunuch**; and he **baptized him**."  
*Acts 8: 36-38*

The Ethiopian **New Year** is celebrated on September 11th according to the Western or Gregorian calendar. Ethiopia still follows the Orthodox Julian calendar which consists of 12 months of 30 days and a 13th month, Pagumen, of five or six days, depending on whether or not it is a leap year. The Geez calendar is seven years and eight months behind the Gregorian calendar, so September 2025 is Meskerem 2018 in Ethiopia.

The way Ethiopians measure time is also different from the West. The clock starts at 6am western time and runs until 6pm. Therefore 8 o'clock in western time would be 2 o'clock Ethiopian time. Because Ethiopia is close to the Equator the sun rises at around 00.30 Ethiopian time and sets at around 12.45 in the evening (6.45 western equivalent) all year round. Ethiopia is 3 hours ahead of GMT. The years run in a four year cycle bearing the names of the 4 Evangelists with the year of John or Yohannis being the leap year.

Here is the beginning of each month:

Meskerem	11th September
Tikimt	11th October
Hidar	10th November
Tahisas	10th December
Tir	9th January
Yekatit	8th February
Megabit	10th March
Miyazya	9th April
Ginbot	9th May
Sene	8th June
Hamle	8th July
Nehasie	7th August
Pagume	6th September

**New Year** is an important festival in the lives of Ethiopians. After three months of heavy rains the sun comes out creating a beautiful clear fresh atmosphere. The highland fields turn to gold as the Meskal daisies burst into flower. When the Queen of Sheba, returned to Ethiopia after her famous visit to King Solomon, her chiefs welcomed her forward by giving her "gift of jewels" has been celebrated ever since in spring. Meskerem is seen as a month of transition from the old year to the new. It is a time to express hopes and dreams for the future. Meskerem 1 is also celebrated to mark the commemoration of Saint John the Baptist.
